

SAFEGUARDING EVERYBODY EVERYDAY

Everyone has the right to feel safe

Derby High is a happy community but sometimes you may need to talk.

I have a concern, about myself or someone I know. What do I do?

Firstly, don't keep it to yourself. You do not need to deal with this alone. You can talk to any member of staff, email us, or use the 'report a serious concern' button on the intranet.

I want to talk to someone about a safeguarding concern but I don't want my parents to know about it.

This is a common concern; you are not alone. We cannot keep a situation confidential if your safety is at risk. However, we will always work with you through the process throughout and support you as best we can.

I am worried about my friend who is unsafe, but I don't want to break their trust.

It is true that they may find it hard. However, we find usually friends do understand that you have acted out of concern for them and realise you've done the right thing.

If you have a safeguarding concern...

You can talk to any member of staff, but key trained members of staff are:

**Report a

Concern**

Alternatively, you can use the 'Report a Serious Concern' button on the intranet. This will take you to a form which will guide you through step by step.
