

# U6 DESTINATIONS 2022

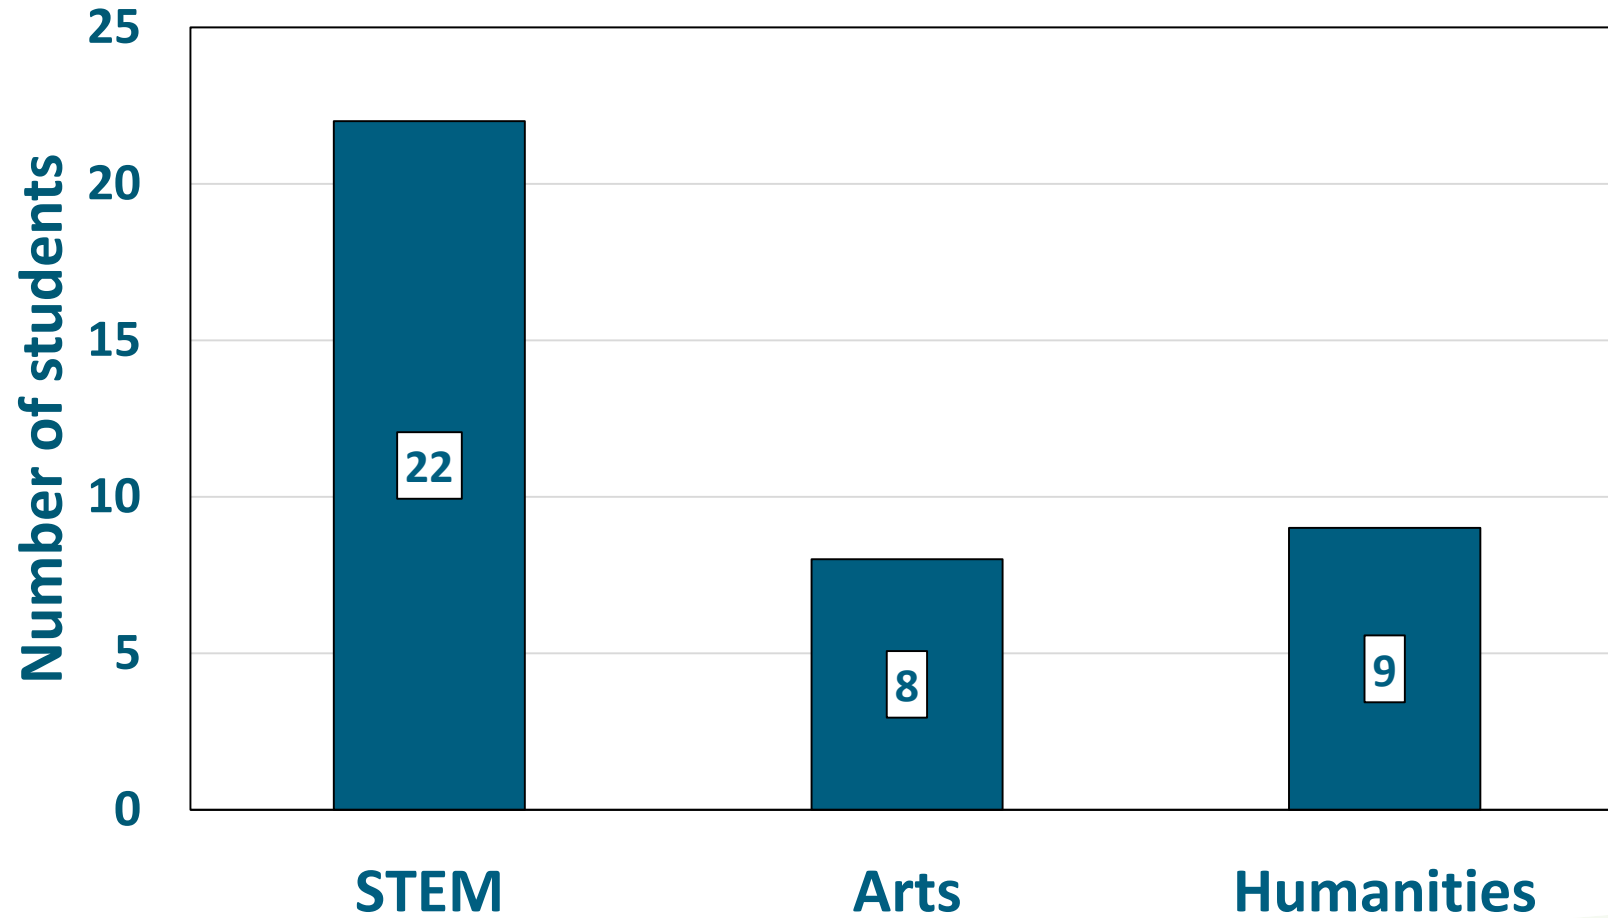

- 87% of students got in to their Firm or Insurance choice universities.
- 44% of students went on to Russell Group universities, including the University of Bristol, University of Oxford, Durham University, King's College London, the University of Exeter and the University of Warwick.
- Clinical courses proved popular, with 23% of students going on to them. We have also seen a growth of interest in other areas with Engineering, Law and Maths other popular choices.
